

CORINNE JASKIEWICZ

ENGINEER & ANALYST

PROFILE

Extremely motivated to constantly develop my skills and grow professionally. I am an experienced engineer with a demonstrated history of working in the environmental services industry. I have a strong mathematical background and proficiency in database software with a focus on analytics and visualizations. My goal is to help bridge the gap between technology and the insight hidden within the systems.

DATA SCIENCE & ANALYTICS, M.S.

Grand Valley State University, 2020

ENVIRONMENTAL ENGINEERING, B.S.

Cornell University, 2013
NCEES Engineer-in-Training, 2013
